Measures taken

We use the AccessiBit accessibility widget to support users with visual, motor and cognitive disabilities. Our team regularly carries out automated and manual audits against the WCAG 2.1 Level AA criteria.

Inaccessible content

- 1. Non-compliance with Law 4/2004:** No
- 2. Disproportionate burden:** No
- 3. The content does not fall within the scope of the applicable legislation:** No

Known limitations

Aeroporti di Roma S.p.A. is revamping its website with the aim of increasingly meeting accessibility requirements and gradually ensuring compliance with the standards set out in current legislation.

The new version of the website will be launched by {{date}}. The accessibility statement will therefore be published once the revamp is complete, as it can then be drawn up based on the features of the new platform.

- The revamp of the website is part of our ongoing commitment to ensuring a digital experience that is increasingly accessible, inclusive and tailored to the needs of all users. We remain entirely at your disposal should you require any further assistance. You can contact us through the [Talk to Us – Feedback](#) page.

Additional notes

The PDF documentation is undergoing a gradual process of updating and improvement.

Accessible alternatives: N/A

Drafting the accessibility statement

This statement was drawn up on 21 September 2026.

Method used to draw up the accessibility statement: Third-party assessment

Methods for submitting reports and contact details of the provider

Feedback and contact details: Users may notify the provider of any instances of non-compliance with accessibility requirements, or request information and content that have been excluded from the scope of the Directive.
